Document Body

Greetings, Linda:

Thank you for submitting the information on the Pechiney Site. I received the 2006 Notification and the RAP that Geomatrix submitted to USEPA and DTSC respectively. I appreciate getting the information and will contact you when Patrick Wilson (USEPA Senior Toxicologist) and I complete our review. We anticipate letting you know our findings and will advise on next steps. Thank you

Sincerely,

Carmen D. Santos, Project Manager
